Hello Jamillia,

Thank you for bringing this to my attention! I'm so sorry we overlooked this. I have noted our E-Verify on the form but wanted to ask what the date of authorization should be. Is that the date that number was issued or today?

Blessings,

Christina Middleton

Hi Christina,

I am the contracts administrator for this agreement. I was out of the office last week but your documents have been forwarded to me for processing. Please email me directly going forward: Jamillia.richmond@dph.ga.gov.

Please note, I have a page that needs to be addressed in the attached. On Page 3 of your attachment, the federal work authorization number looks to be a tax id number. That is a different number from the E-Verify.

The Federal Work Authorization User Identification Number and date the Date of Authorization are issued by the Department of Homeland Security through Citizenship & Immigration. Please visit the following site: <https://www.uscis.gov/e-verify> for more information.

Please do not hesitate to let me know if you have any questions.

Thanks,

Jamillia

Hi Mark,

Attached is the information you've requested with exception of the Certificate of Insurance (assuming you've seen our agency's question from email communication this morning) and the copy of the voided check. I'm offsite from our office until Wednesday morning and will have the voided check scanned to you by noon. Let me know if you need anything else!

Blessings,

Christina Middleton
